

# Application Guideline

## MareNostrum 5

To apply for MareNostrum 5 (MN5) pilot access, please follow the steps below:

- 1- Visit the application page: <https://indico.truba.gov.tr/e/marenostrum5>
- 2- Create a user account on the Indico page to proceed with your application.

- 3- Before applying, it is essential to review the general information document “MN5 Pilot Access: Overview”, which provides details about MN5, application criteria, and the evaluation process. The document, titled “1\_EN\_GenerallInformationAboutTheApplication\_PilotAccess.pdf”, is accessible on the application homepage at the link below:  
<https://indico.truba.gov.tr/e/marenostrum5>
- 4- If you meet the application criteria, you can fill out the online application form on the "MareNostrum 5 Pilot Access Application" page: <https://indico.truba.gov.tr/event/166/registrations/163/>
- 5- Please ensure all required information is filled out completely on the application page. After completing the online application form, please upload the following documents from the “Documents” section of the application form:
  - ⇒ The ARBIS RESUME file for the principal investigator and all project team members (e.g., **FirstLastName\_CV.pdf**) in PDF format.
  - ⇒ The “Project Gantt Chart and Resource Management” document for the planned activities within the project, should be filled and named as *GanttChart-ResourceManagement\_ProjectAcronym.pdf* in PDF format.

Please make sure that the PDF file you upload is not password-protected.

- 6- Before submitting your application, please review all your information and complete the submission process by clicking "Submit."
- 7- After submission, you will receive a confirmation email.
- 8- For any questions, you can contact our support team via email at [mn5@ulakbim.gov.tr](mailto:mn5@ulakbim.gov.tr)
