

GDPR Clarification and Consent Form

The EuroCC Project, supported by the EuroHPC Joint Initiative, enables the establishment of National Competence Centers (NCC) in HPC (High-Performance Computing) in the participating countries. The EuroCC Project completed on December 31, 2022. The continuation of the EuroCC 2 project started on 1 January 2023. The EuroCC4SEE project (National Competence Centres for South East European Countries in the framework of EuroHPC), which will continue its activities in coordination with EuroCC 2, started on April 11, 2024, and will end on April 10, 2026.

As part of the EuroCC 2 and EuroCC4SEE projects, NCC Türkiye will organize activities such as training, school, seminars, workshops, and conferences to increase national competencies in HPC and strengthen academia-industry partnerships. Events to be organized by TÜBİTAK ULAKBİM will be held on online platforms (Zoom, etc.). During the events, video and audio recordings will be archived for internal and external communication purposes¹. Records taken for external communication purposes will also be shared openly on TÜBİTAK ULAKBİM TV and EuroCC Türkiye YouTube channels, EuroCC Access platform, and other relevant social media channels.

The data will be processed² according to the project activities under Articles 4, 5, and 6 of KVKK (The Personal Data Protection Law; Number 6698). According to Articles 8 and 9 of the KVKK, personal data may be transferred to project partners (domestic and abroad) deemed necessary within the project's scope.

This approval form personally approves the acquisition, archiving, and sharing of the relevant event records by TÜBİTAK ULAKBİM for reporting purposes within the scope of KVKK in all events organized between 01.01.2023 and 10.04.2026 by NCC Türkiye.

Correspondingly, I expressly consent to the legal recording, processing, transfer, use, and sharing of the video and audio recordings in the activities carried out within the project's scope, as explained above³.
